In the Matter of ERNEST NEIL MYERS

Ernest Neil Myers, Leland, NC, Claimant.

Tommy R. Hill, Chief, Real Estate Division, Savannah District, Corps of Engineers, Savannah, GA, appearing for Department of the Army.

DANIELS, Board Judge (Chairman).

The Army Corps of Engineers transferred Ernest Neil Myers to a new permanent duty station in North Carolina in June 2005. Mr. Myers bought a home there and asked the Corps to reimburse him for the expenses he incurred in doing so. The agency paid the employee for some of the expenses he claimed, but denied reimbursement of other expenses. Mr. Myers asked the Board to review the Corps' determination as to the latter group of expenses.

In response to the employee's filing of this case, the agency modified its position, agreeing to pay one of the expenses in dispute. One of its representatives also took the time to explain its modified stance to the employee. Mr. Myers has informed us that he understands and accepts the Corps' current determination as to all the items he had contested.

Accordingly, this case is dismissed.
