In the Matter of BARBARA M. WEBB-EDWARDS

Barbara M. Webb-Edwards, Bowie, MD, Claimant.

Danny Swift, Acting Service Center Director, Federal Motor Carrier Safety Administration, United States Department of Transportation, Glen Burnie, MD, appearing for Department of Transportation.

**HYATT**, Board Judge.

## ORDER

On November 9, 2006, Barbara M. Webb-Edwards filed a claim with the Board asking it to instruct the Department of Transportation to reimburse her for expenses incurred on official temporary duty travel. The Board docketed the claim on November 13 and authorized the agency to file a response by December 13, 2006.

On December 19, the agency representative advised the Board that the matter is no longer in need of a ruling because the agency has agreed to reimburse Ms. Webb-Edwards for her travel expenses provided she resubmit the voucher. On December 21, Ms. Webb-Edwards advised the Board that no issues remain in dispute and that the case be dismissed. Accordingly, this claim is dismissed.
